

SATURDAY APRIL 6, 2024, WITH MS. PAULINE

PRELIMINARY INFORMATION:

Hey guys, so this Saturday we're all going to see Ms. Pauline before she leaves for Chicago on Monday. (Don't worry, she's coming back on April 20).

We're thinking of meeting at Chanphen Restaurant on Rama 4 Road. It's walking distance from MRT Lumpini Station so that's a quick and easy way to transport yourselves. We're thinking of meeting at around 11am, maybe 11.30. I'll call and book the restaurant on Saturday at around 10am, and so until then you can have a change of plans, but after that, no backsies.

The restaurant looks like this

So you can find it.

Actually, reason for meeting here is because I promised Pauline that I'd take her here (and I guess with friends too, kinda like our ChinaTown trip if you still remember that), and so we're kinda just pushing it up, I guess. Because originally this was going to be after exams.

She's dedicated the whole day for us, so we can be with her for the whole day, maybe go somewhere after or something... we'll see.

I've gotta leave at 3 or perhaps 3.30pm. But the rest of you are welcome to stay with her (you probably should! She cleared out her schedule!)

See you there peeps!!
